# GM MESSAGE

Greetings,

At **Prociv Partners**, we stand as pioneers in the civil contracting industry, driven by our unwavering dedication to excellence. It is my honor, as General Manager, to lead a team that consistently delivers high-caliber infrastructure, landscape, Finishing and fit out projects that meet the growing demands of our community in the kingdom of Saudi arabia.

Our commitment to innovation, quality, and safety underpins every project we undertake. We believe that our work not only builds structures but also strengthens communities, creating sustainable and enduring legacies.

I invite you to delve into our work and join us in our pursuit of constructing a brighter future.

Sincerely,

## MISSION

At ProCiv Partners Contracting Co. we deliver top-tier Civil construction services, ensuring fast projects delivery, quality, efficiency and sustainability.

## VISION

At ProCiv Partners Contracting we envision creating inspiring landscape, sustainable infrastructure, and impeccable finishes that stand the test of time. Our commitment to innovation, quality, and customer satisfaction drives us to deliver exceptional projects that enhance communities and improve lives.

# OUR VALUES

- P: Professionalism** – professional, honest, and accountable in all interactions—both within the company and with external stakeholders.
- R: Resourcefulness** – creative problem-solving, resourceful team finds efficient solutions, even when faced with limitations.
- O: Optimization** – Strive for continuous improvement. Optimize processes, workflows, and resource utilization to enhance efficiency and effectiveness.
- C: Commitment** – dedicated to fast delivery and excellence in every project.
- I: Innovation** – Embracing new ideas and cutting-edge technologies
- V: Versatility** – adapting to changing needs and challenges.

At **ProcivPartners**, we are proud to offer a comprehensive range of civil works services to meet all your construction needs:

## Landscape Works:

We design and create stunning, functional outdoor spaces that enhance the natural beauty of any environment. Our landscape services include garden design, planting, irrigation systems, and hardscape installations, tailored to bring your vision to life.

## Infrastructure Works:

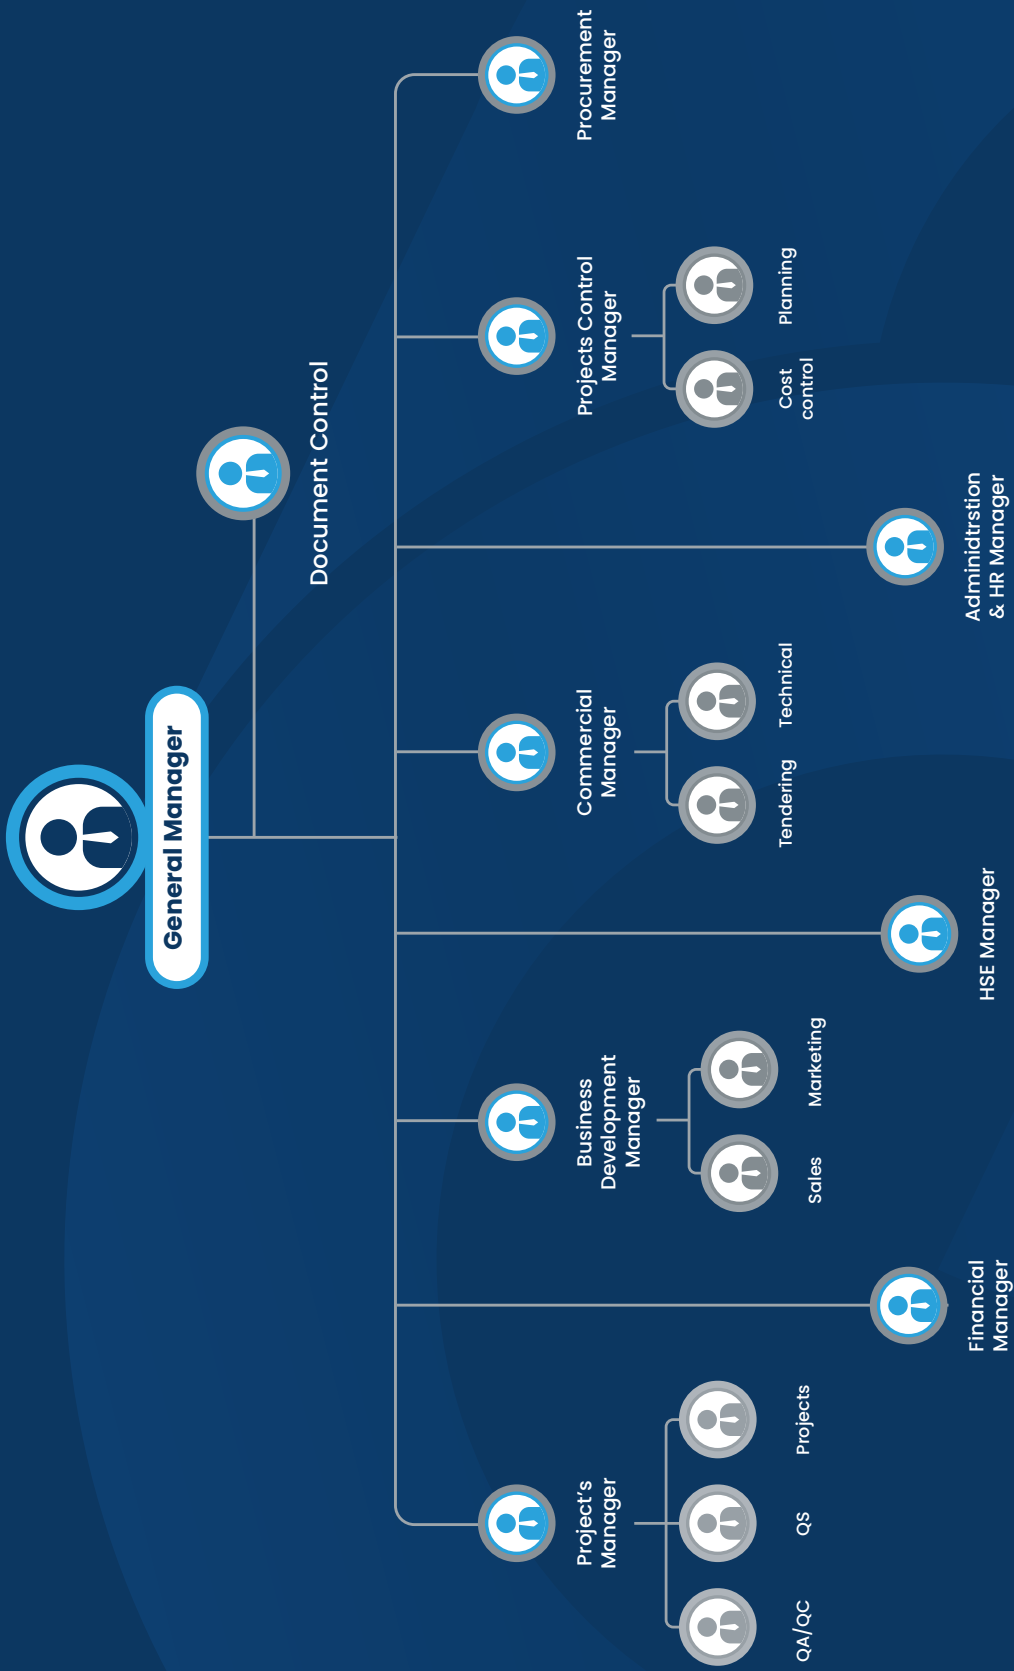

We specialize in the construction and maintenance of essential infrastructure, ensuring robust and reliable support for communities. Our infrastructure services cover pipelines, road construction, utility installations, drainage systems, and public works that contribute to the overall development and connectivity of the region.

## Internal and External Finishing:

Our expertise extends to highquality internal and external finishing for both residential and commercial projects. From intricate interior details to durable and aesthetically pleasing exterior facades, we deliver exceptional systems and craftsmanship that elevates the final look and feel of every project.

# ORGANIZATION
